

Prof. Dr. Daniel Seehofer

Clinic Director, Head of Hepatobiliary Surgery and Visceral Transplantation – Clinic and Polyclinic for Visceral, Transplantation, Thoracic and Vascular Surgery – University Hospital Leipzig

Role in LiSyM-Cancer

- Project leader in SMART-NAFLD
- Project leader in DEEP-HCC
- Contributes patient cohorts, samples and data

Expertise

- Involved in numerous clinical and experimental research projects on liver tumors, hepato-biliary surgery and transplantation
