

SBMC 2024

9th Conference on Systems Biology of Mammalian Cells

Translating Systems Medicine into the Clinics

13 – 15 May 2024 | Leipzig, Paulinum | www.lisym-cancer.org/sbmc2024

Call for abstracts
Apply for a short talk or a poster
lisym-cancer.org/sbmc2024
submission deadline
20 February 2024

Topics From single cell analysis to clinical application | Mechanistic modeling at the cellular scale
Tissue scale modeling and organ communication | AI contributions to systems medicine
The Future of Systems Biology Panel Discussion Systems Biology and Clinical translation

Fabian Theis - Munich, DE | Ron Heeren - Maastricht, NL | Leo van Grunsven - Brussel, BE | Fabian Coscia - Berlin, DE
Maria Rodriguez Martinez - Zurich, CH | Jana Wolf - Berlin, DE | Walter Kolch - Dublin, IE | Dennis Vitkup - New York, US
Thilo Figge - Jena, DE | Fabian Fröhlich - London, GB | Ivo Sbalzarini - Dresden, DE | Natal van Riel - Eindhoven, NL
Jakob Kather - Dresden, DE | Andreas Raue - Cambridge, USA
